## **Exciting News for our Community Garden**

Exciting news! We are starting a new program for our Community Garden this year called "Adopt a Row". There are 12 rows in our garden that can be adopted to weed, keep clean and share in the harvest with our church, our neighbors, and our community. We would love for your family, your small group, or any group you are in, to adopt a row for this growing season. Contact Misty in the church office (806-352-5647).

## **Helping our Members and Neighbors**

With Spring arriving, there are some in our church family who could use help caring for their yard. We're curious who might be willing to serve in this way. Volunteers can help on occasion or by adopting a yard for the entire season. Please contact Dick Rice (806-236-8519) or Quayne Baccas (575-693-2647) if you're interested.

## SMALL GROUPS

Leaders: did you know we have a "Southwest Shortlist" on Right Now Media? If you're like me (Ryan), I get overwhelmed when I start looking for a video series on Right Now Media—there are so many! So, I've created a shortlist with a few handpicked series that our Small Group Leaders can choose from. Recently, I've added some that look fantastic!

Once you login to Right Now Media, click "browse" in the top left. Then, under Libraries, you should see our logo with Southwest Church of Christ. Click our church name, and you can explore the shortlist!

**For more information, contact Ryan Porche (806-352-5647).**
